District Health Administrator

February, 2018

Dear Parent/Guardian:

Please be advised that physicals for 10th grade students are mandated by NYS Department of Education and school district policy.

In order to comply with such requirement, our district school physician, Dr. St. Louis, will be at the health office on Monday, February 26th and Wednesday, February 28th to examine the students.

If you prefer to have your child seen by your own private physician, please have him/her **complete** the enclosed physical examination form and return it to the health office by Monday, **February 26, 2018**.

You are receiving this notice because we do not have the documentation of this requirement for your child.

We appreciate your attention to this matter.

Cordially yours,

sk/dvm
