Lead the Youth Service Summit for elementary school students in May

Join other high school students during spring break and become a community service leader. This exciting opportunity, powered by Service in Schools, will build students' leadership skills over the course of a five-day institute that culminates in the planning and implementation of a day-long Youth Service Summit for elementary school students.

Leadership Institute

Monday-Friday, April 22-26, 2019
9:00am-3:00pm each day

Youth Service Summit Planning Session

Thursday, May 16, 2019
