

Join the UFT for free, weekly Parent Power Hour workshops!

Every Thursday from 5 to 6 p.m, the UFT and its programs and partners are offering free, online workshops on topics of interest to parents.

This week's topic: Summer Programs from the Fresh Air Fund

Join us for a presentation from the Fresh Air Fund about its summer programs for children and young adults between the ages of 5 and 24. You'll also receive information from the UFT about other organizations offering summer programs.

This will be a webinar, so only the speakers will be able to address the audience in real time. However, you may submit questions for them during the conversation using the chat box.

Date: Thursday, July 9

Time: 5 to 6 p.m.
