

PORT CHESTER MIDDLE SCHOOL  
SUMMER MATH WORK

**Freckle**

This summer your task is to complete the Assignments given to you by your Math teacher for September.

**\*IMPORTANT:** Your new teacher will add you to their classroom by **FRIDAY, June 21<sup>st</sup>**. The assignments will show up by **MONDAY JUNE 24<sup>th</sup> (after 3pm)** for you to start working on.

[Freckle.com](https://www.freckle.com) is an educational program that allows anyone with an internet connection to learn a multitude of subject matters, including math. This program will help introduce new topics to you as well as further your math background to make you a better student.

This will be your **first graded assignment** when you come to school in **September**. Your teacher will be able to monitor your progress and use the information gathered to better teach you in September.

**\*\*Once you have completed your assignments, click on the Math tab on the bottom and you can practice your math facts or work through any of the topics you are interested in.**

PORT CHESTER MIDDLE SCHOOL  
TRABAJO DE MATEMÁTICAS DE VERANO

Este verano, su tarea es completar las asignaciones que le dio su maestro de matemáticas para septiembre.

\* **IMPORTANTE:** Tu nuevo profesor te agregará a su salón de clases el **viernes, 21 de junio**. Las tareas se mostrarán el **lunes 24 de junio** (después de las 3 pm) para que comiences a trabajar.

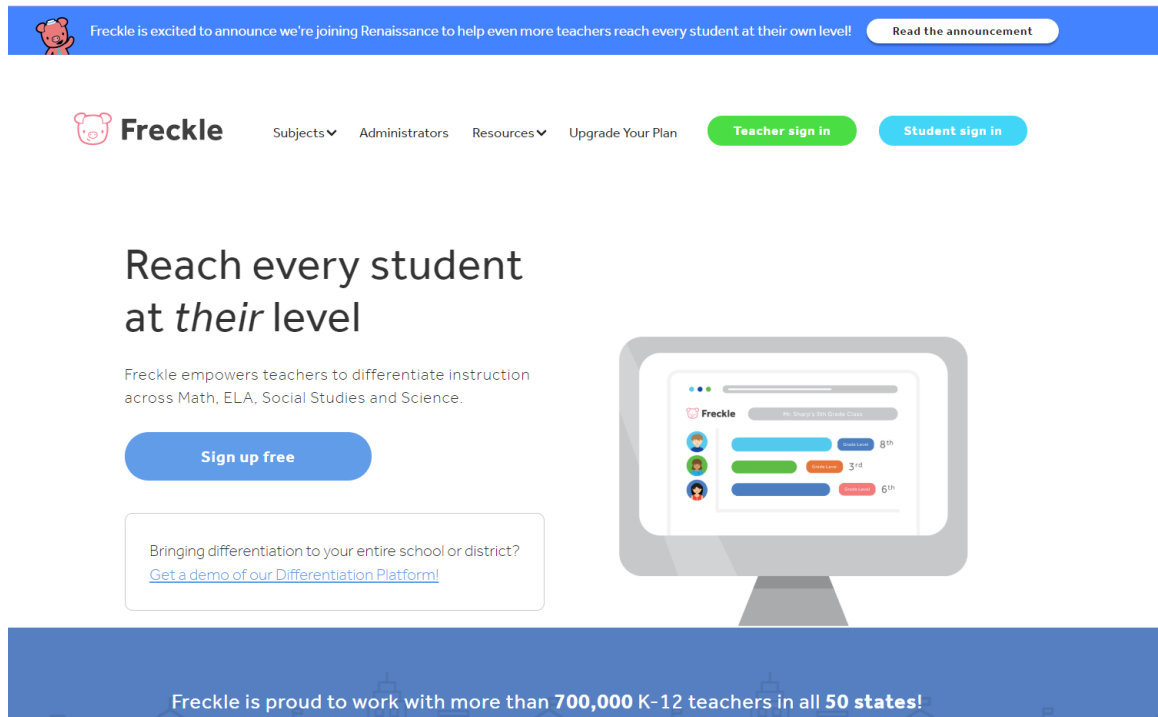

[Freckle.com](https://www.freckle.com) es un programa educativo que permite a cualquier persona con conexión a Internet aprender una gran cantidad de temas, incluidas las matemáticas. Este programa lo ayudará a presentarle nuevos temas, así como a ampliar su formación en matemáticas para que sea un mejor estudiante.

Esta será su **primera tarea** calificada cuando venga a la escuela en **septiembre**. Tu maestro podrá monitorear tu progreso y usar la información recopilada para enseñarte mejor en septiembre.

\*\* Una vez que haya completado sus tareas, haga clic en la pestaña Matemáticas en la parte inferior y podrá practicar sus operaciones matemáticas o trabajar en cualquiera de los temas que le interesan.
