

Directions to connect at home to your WiFi Network:

1. Login into the student account.
2. Bottom right-hand side, next to the time - you will see a rectangular box.
4. Click on the rectangular box - a sidebar should appear.
3. Click on the option - Network.
4. Look for the name of your home WiFi.
5. Enter your home WiFi password.

Note: If you do not know the name of your home WiFi network, ask your parent or guardian for the credentials. If they do not know, you can find your home WiFi name and password on the back of your home internet modem or router.
