Dear Park East Families,

As you may have heard, in response to the current Coronavirus crisis, Mayor DeBlasio and Chancellor Carranza have announced the closure of all NYC DoE public schools starting tomorrow, Monday, March 16th. No students or staff will attend school tomorrow. The rest of the week, staff and administrators will attend in order to plan the implementation of remote learning that is to commence starting on March 23rd. School may open for students by April 23rd, but there is a possibility that schools may remain closed for the rest of the 2019-2020 school year.

During this time, schools will rely on remote learning for all instruction. There are a lot of details about this transition to remote learning that have not been completely clarified by the mayor and chancellor, but all details that I receive over the next days will be relayed to families as soon as possible.

Thank you for your patience and understanding as we all adjust to this crisis and work together to focus on our health and find creative solutions to providing quality educational experiences to our students.

As always, please feel free to reach out with questions and concerns. I am happy to serve you.

Best regards,

Kevin McCarthy  
Principal
