

## ☺ Words from White ☺

**Week of May 11, 2020**

Concerns? I am an email away!  
[kwhite@carmelschools.org](mailto:kwhite@carmelschools.org)

### Plans in the Making...

Plans will be forthcoming regarding *picking up student belongings and medication, K Registration, student placement and yearbooks.*

Information will be forthcoming, please be patient.

KEPTO and I are exploring ideas to honor and celebrate our 4<sup>th</sup> graders. They are not and will not be forgotten. I hope you know that I would never let that happen!

### Distance Learning...

Thanks to all who participated in our Distance Learning Survey. I so appreciate the feedback. District administration will be reviewing the data and comments to present this information at the Board of Education meeting on May 19<sup>th</sup>. All meetings are live streamed on the CCSD website, so attend to hear updated information and possible changes to the plan. Teachers are currently continuing to ZOOM once per week and are supporting weekly learning as needed with additional supports and work feedback. If you have concerns or need more support, please reach out to your child's teacher. More info to come after the BOE mtng.

### Stuff for Students...

Thank you to everyone who participated in our KES video. The teachers and I cried happy and sad tears seeing all of your beautiful faces on the video. Great Compassion and Citizenship! Don't forget that every Friday I am doing the pledge LIVE from our KES Facebook page! Please like and follow Kent Elementary School 6C's so you too can join in. (Make sure a parent helps you!) That's all for now KES'ers- I miss you lots and love you even more!
