Testing:

Chaparral Elementary will begin with Access testing as of February 4th and will go through March 16, 2018. PARCC /SBA Science begins in the beginning of April and will end with SBA L/A Spanish Testing in April. We suggest that students get plenty of rest. It is also very important for your child to be on time and in school every day while testing takes place. It's best students test with their peers and in their classrooms on test day. Please make arrangements to schedule doctor appointments after school.
