August 19, 2020

Dear 811K Families,

I hope you and your children are well and enjoying some time off this summer. Thank you to all who participated in our engaging and exciting Chapter 683 Remote learning program. I know that September will be here before we know it, and I am writing to you today to keep you updated on the 2020–21 school year. The 811K main site has officially selected model 4A as the in-person programming model.

**Model 4a: Every other week, two in-person student groups**

In this model, there are two in-person student groups, and one fully remote student group.

This model has students in school every other week. Students will receive in-person instruction for five days every other week. The other week the students will be fully engaged in remote learning. Students whose families choose fully remote learning will receive remote instruction every day. Information about which group your child will be in is forthcoming.

Please continue to visit [www.schools.nyc.gov/returntoschool2020](http://www.schools.nyc.gov/returntoschool2020) for more information from the New York City Department of Education’s plans to return to school. Additionally, for 811K specific information we invite you to check out our 811K website [www.P811K.org](http://www.P811K.org) as well as following us on [www.Classdojo.com](http://www.Classdojo.com), or the Connie Lekas811K on Facebook for current information.

While the world around us continues to change, our commitment to the health and safety of our students, teachers, staff, and families remains steadfast, and so does our focus on equity and excellence. We will deliver what your child needs to succeed academically, knowing the traumatic impact this crisis has had on New Yorkers of all ages. We will ensure your child feels welcome and supported in their school community, no matter what.

Our school motto is “Together We Make It Happen” in the days, weeks, and months to come, together we will make it happen to ensure that our students have the tools to thrive. Thank you for your continued support.

Sincerely,

Antoinette Rose, Principal
