

OCTOBER 2020

P.S. 127 Newsletter

Parent Coordinator

Welcome back to school to all of our Blended and Remote Students! The Middle School application process, for students applying this year to enter Middle School in September 2021, <https://www.schools.nyc.gov/enrollment/enroll-grade-by-grade/middle-school>. You can pick your preferred language at the top of the page. The process will all be done online. Email me at RVento2@schools.nyc.gov if you have any questions.

Families, please visit here to request an iPad for your children if you are still in need <https://coronavirus.schools.nyc/RemoteLearningDevices>. It is a very slow process so please be patient.

Check the school website for updated information for the school, <http://www.mckinleypark127.org>.

Book of the Month

Germs Make Me Sick! Is a great way for children to understand in a safe and how germs work. How are you feeling? Most of the time you feel fine, but sometimes you get sick. Sometimes a germ catches up with you.

Germs are all around you, but they are too small for you to see. Many germs are harmless, but two kinds, viruses and bacteria, can make you sick. Read and find out about germs, how they can make you sick, and how your body works to fight them off and keep you healthy.

ENJOY!

IMPORTANT REMINDERS

Please do the Health Check Everyday for your child –
