

November News

What's Happening This Month

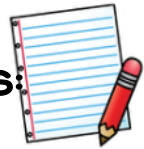

Thursday, November 5 - *Parent Teacher Conference (Half-Day)*

Wednesday, November 11 - *Veteran's Day (No Classes)*

Thursday-Friday, November 26-27th - *Thanksgiving Break (No Classes)*

A Note From your Teachers:

We enjoyed meeting with so many of you during parent teacher conferences. Remember to read every night and use the skills we learned in class!

This month we are especially grateful for family, friends, and students! Have a great Thanksgiving!

A Peek At What We Are Learning

Reading

We look forward to continuing our reading journey by incorporating new reading strategies. We will be inferring a story's main idea by referring to details from the text. We will continue to use sequencing to retell story events.

Writing

We are so excited to begin our informative writing unit. We will be writing to inform readers about our family.

Math

We are so proud of our ability to add and subtract within 10. This month we will be expanding our addition and subtraction skills to 20. First graders will continue to use addition and subtraction strategies to solve equations and explain our thinking.

Science

We are happy to further our learning about animals and their environment.

Social Studies

We are ecstatic to take a step into the past while we learn about families long ago.

Social Emotional Learning

We will continue to explore our feelings by discussing how various emotions look, feel, and sound.

Blended Teachers: Ms. Berliku, Ms. DeMartino, Mrs. Papandrea, & Ms. Tse

Remote Teachers: Mrs. Albanese, Mrs. McFee & Ms. Perricone
