**Believe! Achieve! Succeed! Excellence is our goal!**

June 22, 2020

Dear Parents/Guardians,

We would like to take a moment to reflect upon a year filled with enthusiasm and commitment. P.S. 127 has been a wonderful place for learning and discovery this past year. This year, we continued to enrich your child's learning experiences through embracing our home and school partnership, which was achieved through collaborative efforts. Our strong partnership allowed us to move to a remote learning model successfully, while staying safe and supporting the children in their continued learning. We are grateful for the extraordinary ways everyone in our school community has risen to this challenge.

As we live through this unprecedented time, we will continue to work together as a community of families, educators, and staff to make certain that the children will have the resources needed to learn and grow with boundless potential. In order for them to stay engaged in learning activities during the summer months, we have posted a Summer Choice Board on Google Classroom and on our school website. Additionally, we have compiled a list of websites and activities for the children to enjoy.

Unfortunately, we still are unsure of what the return to school will look like in September. We will continue to get information to families through the Remind App and School Messenger Voice recordings. Also, please check NYCDOE and our school website <http://www.mckinleypark127.org> periodically for important updates and announcements.

Your child's final report card will be accessible to you online using your NYC schools account. Please login in to [www.mystudent.nyc](http://www.mystudent.nyc) to view report card grades. In the comments section, your child's anticipated new class will be listed. If you have any questions, please email our parent coordinator, Rosann Vento ([RVento2@schools.nyc.gov](mailto:RVento2@schools.nyc.gov)). Grades will not be accessible until June 29, 2020. The last day of remote learning will be Friday, June 26, 2020.

If your child has any school materials at home, such as textbooks or technology equipment, please keep them safe and secure over the summer. All materials will need to be returned when schools reopen.

Thank you again for your partnership and for your continuous support. We wish you and your family a safe and enjoyable summer vacation.

Sincerely,

*Agatha Alicandro*
