Dear P.S. 24 Families,

We are writing today because after receiving feedback from our staff and community that it would be difficult for them to attend a weeknight game, we have been able to secure tickets for a weekend game instead. The new date for the Mets game will be Saturday, May 19<sup>th</sup> 7:00PM This change was made to allow more students and families the opportunity to attend the game. We apologize for the many changes, but appreciate the feedback and are hopeful that with this new date more people will be able to attend.

This non-school sanctioned P.S. 24 Community Outing on May 19 will be for all students in grades K-5, family members, and staff. Tickets for this game are \$25 each (maximum of 6 per household) and will be given on a first come, first serve basis. Please reserve immediately since we have a limited amount of tickets. You can reserve the tickets by submitting the bottom of this letter along with payment to your classroom teacher. All ticket holders will be responsible for their own transportation. If families wish to attend and previously paid for the May 16th trip, the money can be used toward this event. If families are unable or do not wish to attend, money will be returned. Those wanting a full refund can put in a request with their child's classroom teacher and will be reimbursed immediately.

We are hoping that this weekend game will allow more of our students and families the opportunity to attend. It also happens to be Star Wars Night and there will be a free Mr. Met as Hans Solo Bobblehead giveaway. I look forward to spending a fun evening together as a community to celebrate all of the hard work of our students, staff, and parents.

If you have any questions or concerns, please do not hesitate to contact me at:
