

PS 24 Families and Friends,

Please see the following important updates regarding the closure of DOE schools

**Instructional Day- Thursday, November 19, 2020**

Teachers have been informed that today is a “normal” instructional day. This means that remote instruction for students will begin at 8:30am and end at 2:00pm. Your child’s instructional lunch will continue as normally scheduled. After meeting with my staff last night, they are clear on their assignments and instructional expectations.

**Instructional Day- Friday, November 20<sup>th</sup> / Picking up resources and materials**

To ensure that all families have access to the materials and resources needed to support remote learning, Friday, November 20<sup>th</sup> will be an all-asynchronous instructional day. This will allow my staff to arrange a pick-up / drive-thru for parents to obtain the materials and resources for remote learning. Teachers will be preparing all packages between 8am and 11am. Parents will be asked to pick up your materials between 11am – 1pm. Your child’s teacher will be contacting you shortly with specific details.

As always, my team and I are here to support you and your family. Whatever we can do to make this time easier for you and your family, please let us know. Me and my staff will continue to update you throughout the week as more information becomes available

Be well,

Steven Schwartz
