- **Principals' Report**
 - No Principals Report – Mr. Schwartz and Ms. Amster not in attendance
 - Florence Byrne not in attendance either
- **Co Presidents' Report – Laura Moukas and Diane Salanto**
 - Discussion about the Future PA approach
 - PA needs to support teachers and the administration – best idea is to figure out a way to make it work
 - Quality Review this week – DOE comes to the school to observe a variety of things, tour school, spend time with parents, administration, teachers, etc. Questions are asked about how parents feel about teachers, homework, among other things.
 - Parents are typically invited – Laura was asked to observe, but no info about who else is joining or which parents were asked
 - First time PA has not been notified or asked to help pick parents for Quality Review
 - Question about whether or not we could or should move over to a PTA
 - Biggest issues is parents and teachers would then share control of the money.
- **Financial Report – N. Levinson**
 - Highlights
 - Graduation fund – dues collected from all but approx. 5 kids. Great response overall.
 - Auction \$11K net
 - Yearbook doing well and Ads are selling
 - Last month funds were used to subscribe to discovery online which includes tech books, online videos
 - Plant Sale raised \$3K – did very well. The kids were all very excited about it.
 - Discussion on class projects and how money could be spent. Suggestion to do Butterflies for every class. Majority of parents felt this was a good use of excess money. Perhaps butterflies for all or maybe butterflies for younger kids and worms for older kids.

 - Spring/Summer issues will distribute right before end of school – content will include auction, teacher playdates, field trips, reports on class projects. Parents are asked to send pictures ps24soundingboard@gmail.com.
