\$20 Must be scheduled ahead

*"Hudson River Arts Workshop is the best! The individualized attention and creative projects keep my daughter inspired and proud of so many creative and fun projects. In only a few months she has been exposed to so many simple techniques for drawing and making pictures." - Parent of a student*

*"We have been witness to creativity and artistic encouragement that would make Alexander Calder proud. The children look forward to creating papier mache puppets, wire sculptures, paintings, Native American weaving, and other projects." - Parent of a student*

5355 Henry Hudson Parkway. Riverdale, NY 10471 646.335.5274
