Not in attendance - Steven Schwartz, Michelle Montoya, Diane Salanto, Dan Weitz
Review and Approval of Minutes - approved

CEP Progress Monitoring!

- Goal 1 - need F/P data to continue (can review in March)
*Put on hold until March 20th
- Goal 2 - put on hold until March
- Goal - data wise - we are on track to meet this goal.
- Goal - effective school leadership - looking at 2018-2019 mock environmental survey.

(review of action plan)

- Discussion of whether Parent Advisory Committee and Tea With Principal are effective in the action plan.
- Discussion of a creation of a survey that will better hone in on what issues are truly causing lack of trust.
- Will begin to create a committee to help create a drill down survey-monkey
- Suggestion box by security desk?

- Goal - strong community ties - parents feel they are getting plenty of communication - we are on track to meeting this goal

- We will spend April, May and June to flush out areas of concern and reconfigure goals.

Agenda for March 20th

Revisit CEP goals - Rigorous instruction progress monitoring
Supportive environment

Reports from Each Constituency:

- Principal
 - Security is a concern at the 4th/5th grade dismissal plan
 - Removal of black coverings on the windows over break
 - Cyber safety lessons will be completed before break
 - Focus Fridays is in full swing - students are getting their needs addressed

- Parents
 - ELA presentation being given by 2 teachers next week
 - Kindergarten parents concerned about too much homework - looking to be lessened
 - Emails from parents have been sent about black history month not being celebrated in school - discussed links that can be sent to parents about what can be done at home
 - Recess restrictions are a concern - class by class it has been an issue
 - Perhaps training to the adults on how to manage a crowd?
