CEP Discussion based on data from School Snapshot and School Report Card

Work on the Action Plan to support CEP Goals

Rigorous instruction - By June 2019, at least 65% of all student will be reading at or above grade level measured by F & P standards.

- Will review reading data in February to possibly update this goal

Parent and Family Engagement - under rigorous instruction

UPDATED GOAL

- At minimum once a month teachers will send home communication to provide resources and strategies. We will also provide resources and strategies that they can use to support this work at home.

Collaborative Teachers

UPDATED GOAL

- By June 2019, all teachers will engage in the data wise initiative which will allow for the school to build strong teacher teams that take an inquiry stance on student work/data. This will result in sharing of best practices to improve pedagogy as measured by an increase of **.10 %** overall rating on Danielson.

Reports from Each Constituency:

- Principal
- Staff
- Parents - potluck dinner next week for PA

Next Steps

- Will finish/review/update the remaining 3 goals and action plans in January.
