

INTERNET SAFETY TIPS FOR STUDENTS*

- Only use the Internet when your parents tell you it's OK.
- Always have good manners and be polite when you use the Internet and e-mail.
- Never meet with an Internet friend unless your parents go with you.
- Don't give out personal information like your address, telephone number or school name to anyone unless your parents say it is OK.
- Don't send pictures of yourself or your family to anyone unless your parents say it's OK.
- Always tell your parents about the people you meet or talk to on the Internet.
- Don't break copyright rules by taking words, pictures or sound from someone else's website without their permission.
- If you ever get an e-mail message that is strange, mean or upsetting to you, don't answer back! Tell your parents or teachers right away!
- Sometime, when you are on the Internet, you may accidentally meet bad people or see things that are bad, but it's **NOT YOUR FAULT!!!** If something you see or read is upsetting, just stop and tell your parents or teachers right away.
