

Dear Parents and Guardians,

My name is Emily Griffin (Ms. Griffin) and I am very excited to be your child's Speech-Language Pathologist for the 2019-2020 school year while Mrs. Shannon is out on maternity leave! While this will be my first year working at Liberty Elementary School, it will be my third year in the district (Nyack Middle School, Nyack High School and Saint Paul's School) and my fourth year as a Speech-Language Pathologist. I know that we will have a successful, exciting and productive year in the speech and language room!

Because you are an integral part of your child's education, I feel working on your child's speech and language skills at home is essential. For this reason, I encourage you to ask them what they are working on in speech to promote verbal interactions at home. Additionally, I will keep you updated on your child's progress throughout the year. If you have any questions or concerns I encourage you to reach me via email at egriffin@nyackschools.org and I will respond to you at my earliest convenience.

I hope to meet many of you at our "Back to School" night and I am looking forward to being a part of the academic progress your child will make this year!

Sincerely,

Emily Griffin, M.S. CCC-SLP T.S.S.L.D.
