The vision of Paschal Sherman Indian School is to prepare our children to be the speakers of our language, guardians of our culture and of our future."

Dear Parents and Community,

Regretfully, PSIS breakfast and lunch meal program will be suspended until further notice. Hopefully, the closing of the main building will be a temporary situation. If you are facing financial difficulties affecting your ability to obtain food for your family, please call the school at 509-422-7587 so we may refer you to the appropriate agencies.

PSIS Online Summer School will proceed as planned. Call 509-422-7587 for more information. Give me a call at 509-634-1207 if you have any questions or concerns. Stay well.

Sincerely,
