

FUNDRAISER GOING ON NOW!

The Poppin Pack Direct Sale Fundraiser

Each Poppin Pack contains 30 snack size bags and features 3 great selections of popcorn: *Buttery Caramel, Chicago Style and White Cheddar*. Each bag of popcorn sells for \$2.00. \$30 is kept by our organization and \$30 pays for the product.

HOW TO GET INVOLVED

- Step 1** – Return your permission slip to receive a 30 count Poppin Pack carrier to sell.
- Step 2** – Collect \$2.00 for each snack bag that you sell.
- Step 3** – Place the money in the collection envelope found in each case.
- Step 4** – When you have sold 30 snack bags, return the money to your organization.
- Step 5** – Receive another Poppin Pack carrier with another signed permission slip to sell.

SAFETY COMES FIRST!

For the safety of our participants, we strongly discourage door-to-door sales. Instead, participants and parents should ask family members, friends, office employees and neighbors that you know. Many parents take the popcorn to work!
