## Learning Leaders Needed!

Library is getting ready for class visits!

### Last Week: October 5th through October 9th

Throughout the week, a number of Shuang Wen parents (Learning Leaders and non-Learning Leaders) volunteered, on a daily basis primarily to repopulate shelves with books and alphabetize books after a library reorganization, which reorganization created an big open space for students to congregate for teacher read aloud or for student reading or researching at tables and also resulted in some other library-friendly additions, like new tall shelves and a nook for popular graphic books, among other things.

### This week: October 16th Meeting Regarding Initiating Class Visits and Volunteer Needs

Final clean-up and preparations for class visits will occur the week of October 13th (You will be surprised at how far things have come since the “before” and “after” pictures above were taken!). In preparation for the library to go-live soon, the Library Committee (comprised of some active old and new parents) invite all Shuang Wen Learning Leaders to **join the Library Committee in the library this Friday for a meeting** to discuss library volunteer opportunities for Learning Leaders. Although there will be opportunities for non-Learning Leaders, too, Learning Leaders are particularly essential given the volunteer roles that Library Committee volunteers play.

So far, the Shuang Wen community is lucky enough that collectively four Shuang Wen parents and grandparents have committed to volunteer weekly in the library, for a total of twelve to sixteen hours. But, the Shuang Wen library needs additional committed volunteers! If interested in volunteering, please inform **Alice McCabe** in the main office as to your preferred time slots or please come join us in the library on **Friday, October 16 at 8:30** to discuss different possibilities. Library Committee hopes that more Learning Leaders can join us in fostering Shuang Wen students educational development through literacy support.

Warmly, Library Committee
