

Welcome To First Grade 歡迎來到一年級

First grade is full of fun and exciting adventures. We are so excited and can't wait to explore together with your child! 一年級是好玩又精彩的探險之旅。我們非常興奮，迫不及待與您的孩子一起分享探索新的學期。

All instruction will be aligned with the Core Curriculum Standards. Your child will also grow to be more independent by taking more responsibilities with his/her learning materials and homework. 所有的教學內容與教育局普通核心課程標準相一致。您的孩子也會因為要負責自己的書包課本及家庭作業，而變得更獨立。

We are looking forward to working with you to help your child develop socially, emotionally, and academically. Thank you for your support! 我們期待與您合作，幫助您的孩子培養社會、情緒和學術上的成就。謝謝您的支持！

Grading Policy 評估標準

Classwork 課堂作業	40%
Participation 課堂參與	25%
Assessments 課堂評估	20%
Homework 家庭作業	15%

Homework Policy 家庭作業

- Homework in the weekly packet is due every day. 每週有一套家庭作業，每天都要交回當天作業。
- In case of an absence, homework should be made up by the end of the week. 萬一缺席，家庭作業必須要在當週補交。
- If any of the homework components are missing or incomplete, it will be noted on the cover of the homework packet. If not remedied, it will reflect on the student's homework grade. 如果整套的家庭作業有缺失或未完成，老師會在家庭作業封面上註明。如果沒有補交功課，會影響學生的作業成績。

THINGS TO KNOW 新生須知

Reading 閱讀

One of the most **EXCITING** parts of first grade is the progress your child will make in reading. To help your child's continuous growth as a reader, we will send home books at your child's independent reading level each day. Please make sure he/she reads these books at least 15-20 minutes daily. Please also make sure your child completes the daily reading response assignment, which varies as the year progresses. Have Fun reading!!! 一年級最精彩的一部分是您的孩子會在閱讀上有長足的進步。為了幫助您的孩子不斷成長為讀者，我們會每天讓孩子帶書回家，而所有帶回家的書都是符合您孩子獨立閱讀水平的書。請確保他/她每天至少讀這些書 15-20 分鐘。同時請確保孩子完成每天的閱讀心得功課，這部分會隨著時間的推移而有所更動。祝你讀得開心！

Word Study 生字

Your child will be introduced to six new English words and four new Chinese words each week. There will be different activities for your child to practice these words with each day. Weekly spelling quizzes will be given on every following Monday. Please assist your child in reviewing the weekly words. 每週，老師會教六個英文生字和四個中文生字。每天會有不同的活動讓您的孩子練習說這些話。每週一會有上週生字的拼寫測驗。請幫助孩子練習每週生字。

In math, we will focus on building conceptual understanding and fluency in number sense, measurement, data, and geometry through number sentences, word problems, and more. Your child will bring home math homework that is related to the daily lesson. Please help your child review the new concepts. 在數學課，我們著重在運用數字題，文字題等等來幫助孩子架構數學的概念，熟練數字，測量，數據和幾何。孩子帶回家的數學作業是每天在學校教的功課。請幫助孩子複習新的數學概念。

Social Studies 社會研究

The first grade social studies curriculum is focused on families and communities. We will learn about families and communities from long ago and in present day, discuss how families and communities influence who we are, and study how jobs and money affect communities. In addition, your child will expand his/her understanding of the rights and responsibilities of citizenship. 一年級的社會研究課程重點是家庭和社區。我們會學習古代及今天的家庭和社區變化，並討論家庭和社區如何影響到我們，同時研究工作 and 金錢如何影響社區。此外，您的孩子將擴大他/她對公民權利和責任的認識。

Science 科學

In science, we will use a hands-on, inquiry-based approach to learn about earth science, life science, and physical science. Topics include animals and their habitats, weather, energy, models and systems, and more. Your child will be engaged in the discovery process. He/She will not only gain knowledge of scientific concepts but will also build skills as a scientist and a researcher. 在科學課，我們將親自動手做研究來了解地球科學，生命科學，物理科學。主題包括動物及其棲息地，氣候，能源，模式和系統等。您的孩子將參與發現的過程。他/她將不僅獲得科學概念的知識，也將培養成為科學家和研究員的技能。

Field Trips 旅行

We will have many fun and educational fieldtrips this year. We welcome your participation as chaperones. 今年我們會有許多富教育意義的校外教學旅行。歡迎家長參與擔任隨行監護人。

Learning Behaviors

學習行為
