

NYC Schools Account Enhancements

All schools

A new feature has been added to NYC Schools Account (NYCSA), which will require all parents or guardians who use NYCSA to validate their email address in order to continue to view their child's data. Going forward, after creating their account, all new users will receive an email from NYCSA asking them to click on a link to validate their email address. Upon signing in to their NYC Schools Account, current users will be asked to confirm their email address by **September 30**, if they have not already done so. **Beginning October 1**, users who have not yet validated their email address will be unable to access their child's data in NYCSA until they do so.

紐約市所有公立學校 學校帳戶強化計畫

一項新功能已被添加到紐約市學校帳戶（NYCSA），所有使用學校帳戶的家長須要驗證他們的電子郵件地址，才能繼續查看自己孩子的數據。從現在開始，家長設立帳戶後，所有新用戶都會收到來自學校帳戶的電郵通知，要求他們點擊一個鏈接以驗證他們的電子郵件地址。如果家長已經在紐約市學校帳戶登錄，請於 9 月 30 日前確認自己的電子郵件地址。如果沒有確認，從 10 月 1 日開始，尚未驗證電子郵件地址的家長將無法查看自己孩子的數據，直到確認電子郵件地址為止。
