

A message from Shuang Wen Teachers

Class 301

Class 302

Class 303

Dear Parents and Shuang Wen School Families:
Happy Winter!

In November, we had our very first field trip to the Whitney Museum, where the students visited different art exhibits to see various interpretations of the art pieces. We all enjoyed the trip very much!

Starting in January, we have begun preparing for the 3rd grade state-wide test in ELA and Mathematics. In order to support your child with this work, please encourage your child to share with you the strategies that they are learning in class and also have your child read with focus for a longer period of time to build stamina.

We are currently in the middle of our Animal Adaptations unit. We are reading informational texts with a focus on physical and behavioral adaptations of animals. In early February, we will be going to the American Museum of Natural History where students will visit exhibits to learn and study about mammals, reptiles/amphibians, and marine animals to complete a research project on a particular animal, both in English and in Chinese.

We are also continuing to build social and emotional intelligences in our classrooms, helping our children to attain greater respect and cooperation within our classroom communities.

Happy Lunar New Year!

Best,

3rd Grade Team Ms.Flores, Ms.Chen, Ms. Huang and Ms.Cisneros

News from Shuang Wen School
