

Kindergarten Academic Expectations 幼稚班的學業期許

Dual language instructions begin in Kindergarten. Students will learn to speak in both English and Mandarin at a pace that reflects their individual level of language development. Both English and Mandarin will be used to teach Kindergarten content. The expectations are the same for all students whether their first language is English or Mandarin. All students will be moving toward the goals of reading, writing and math in BOTH languages. The kindergarten teachers will share academic goals with you during curriculum night that will take place when school begins in September.

雙語教學課程從幼稚班開始。學生將依據個人語言發展水平，按步就班同時開始學習英文及中文。幼稚班的教學內容是以中英雙語同步教學。無論學生的第一語言是英文或中文，學校對他們的學習期望是一致的。所有學生都要能同時使用兩種語言來閱讀，寫作和算數。幼稚班老師將在九月份開學後的親師懇談會—課程之夜上與家長分享幼稚班的學業目標。

Kindergarten Homework Policy 幼稚班家庭作業守則

Kindergarten homework reinforces the skills and strategies taught during the school day. We expect the homework for each night should not exceed 30 minutes. Our homework consists of one or two literacy and math assignments, and reading for 10 to 15 minutes. Every Friday, the students will also have homework in Chinese as a review of what we learned for the week. **Incomplete homework will be completed during choice time.**

幼稚班的家庭作業是複習學生在學校裏學習過的課程。我們希望孩子們能夠獨立完成所有的作業。每天做作業的時間不會超過半個鐘頭。每天的作業會有一張數學，一到兩張英文，還有十到十五分鐘閱讀。每個星期五會有複習的中文功課。學生如沒按時交功課會在自由活動時完成。
