

Dear Pre-K Parents,
親愛的預幼班家長：

Welcome to Pre-K at P.S. 184M Shuang Wen School. The Pre-K Team cannot wait to meet your child. Throughout the whole school year, your child will learn language, literacy, fine and gross motor, social skills, mathematical and science thinking, appreciation for music and arts, creativity, independence, confidence, cooperation, and academic readiness skills. In Pre-k, children have an opportunity to build on five key areas of learning and development. These five areas are as follows:

歡迎來到雙文學校預幼班。雙文預幼班的老師迫不及待地想見到您的孩子。在整個學年度，您的孩子將學習英文，識字，精細和粗壯的運動技能，社交技巧，數學和科學思維，了解音樂、藝術、創意、獨立、自信、合作和學術準備技能。在預幼班，孩子有機會學習和發展五個關鍵的領域。這五項基礎是：

- **Approaches to Learning:** Pre-k children will develop creativity and curiosity. They will also learn different methods to solving problems. 學習方法：學前班的孩子會發展創造力和好奇心。他們還將學習用不同的方法來解決問題。
- **Physical Development and Health:** Pre-k children will engage in activities to build strong muscles and eye-hand coordination. They will also learn safe and healthy practices. 體育發展與健康：預幼班的孩子會參與活動，以強壯肌肉和手眼協調能力。他們還將鍛鍊安全和健康的技能。
- **Social and Emotional Growth:** Pre-k children will form positive relationships at home, school and their community. 社交和情緒成長：預幼班的孩子會培養家庭，學校和社區的積極關係。
- **Communication and Language Skills:** Pre-k children will learn to listen, ask questions, tell stories and communicate with others. 溝通和語言技能：預幼班的孩子將學習傾聽，提問，講故事和與他人溝通的技能。
- **Knowledge of the World:** Pre-k children will numbers. They describe and compare various objects and living things. 對世界的認識：預幼班的孩子會數數。他們描述和比較各種對象和生活的物品。

Monthly newsletter will be sent home each month to keep you up-to-date on important dates and events. Enjoy your summer and we will see you on the first day of school, Thursday, September 8, 2016. 每個月學校會發送學校新聞給所有家長，讓您及時了解最新的重要日期和事件。祝您有個愉快的暑假，我們會在九月八日，星期四，開學那天見面。

Sincerely,

Pre-K Teachers預幼班老師敬上
