Dear Families;

We had a great turn out on the parent/teachers conferences. I want to thank you for your willingness to work together with your child's teachers to create the best plan for meeting your child's needs and creating success in your child's education.

General Announcements:

Morris Heights Health Center will be providing on-site health care services at Hostos-Lincoln Academy of Science starting in January.

The MHHC School Based Health Center network has been in existence since 1982. This is a partnership with a variety of schools in the community to improve the well-being of children and families by providing onsite access to healthcare, including mental health and health education services. Currently, the program operates in twenty schools in the Bronx serving over 10,000 children.

Services:

1. Physical Health Exams
2. Counseling Services
3. Obesity and weight management
4. Routine care of asthma and diabetes
5. Immunizations and flu shots
6. First aid
7. Health Education and promotion
8. Vision, hearing and dental screening

To enroll your child complete a form that is available in the school office, room 345, and in the parent coordinator's office in room 321

Resources:
