Dear Families;

Dear parents,

In response to the federal government's crackdown on undocumented immigrants, Mayor Bill de Blasio has set a policy to protect undocumented students in New York City schools. Among other protections, the policy bars immigration agents from entry into schools unless they have a signed warrant. Read the story on the UFT website

The State Math Test will be on Tuesday, May 2, Wednesday, May 3, and Thursday, May 4 2017

Friday, May 12 Career Day

Friday, June 23 High School Graduation

NYC School Survey

If you haven't already completed your NYC School Survey, it's not too late!

Every year, all parents, teachers, and students in grades 6-12 complete the NYC School Survey, ranking it among the largest ever conducted nationally. Through this confidential survey, you can provide your school with valuable feedback and input on how well it is meeting the needs of your child, in areas like instruction, safety, and family engagement. Don't miss your opportunity to tell us what you think! **This year, the survey ends on Friday, April 7. So please complete the paper survey provided to you, or complete the survey online at**

www.nycschoolssurvey.org.

To take the survey online, you will need your survey access code located on the bottom right-hand corner of the paper survey that has been provided to you by your child's school. If you cannot find your paper survey, please call or e-mail Mrs. Rodriguez our Parent Coordinator to get the access code or please call the survey hotline at 1-800-690-8603 We're looking forward to hearing from you!

The John Maxwell Team

On Thursday, April 27th and Friday, April 28th a member of the Maxwell Team, will be at Hostos to present an important conference to our students. The John Maxwell Team is a group of Certified Coaches, Teachers, Speakers and Professionals who offer workshops, seminars, keynote speaking, and coaching to aid personal and professional growth through study and practical application of John Maxwell's proven leadership methods.
