Dear Parents,

As you are aware, we are facing a world-wide epidemic known as the Coronavirus. I am writing to assure you that Icahn Charter Schools are following all recommendations from the Center for Disease Control. I would like to report some of the important steps that we have taken to protect the children and staff as much as possible:

1. All trips have been cancelled until further notice.
2. All Icahn Charter Schools have a complete supply of cleaning materials. In addition, we are receiving deliveries to ensure an adequate supply for all of our schools.
3. All schools have received posters to be displayed around the buildings regarding frequent hand washing.
4. All items that the children may come in contact with are being cleaned with approved cleansers on an hourly basis.
5. All teachers are discussing good health habits with their students to protect them as best as possible.
6. If your child has a severe cold or flu, their absence will be excused.

I will, of course, report to you any new developments. Again, please know that we are following ALL RECOMMENDATIONS from the Center for Disease Control. Your children are truly loved and I will do anything and everything to keep them safe always.

As always, thank you for your wonderful children.

Very truly yours,

Jeff Litt, Superintendent
