

**KPS Mail is here! The 2<sup>nd</sup> graders will deliver mail to KPS students and staff every Tuesday and Thursday April 1st through May 16th.**

**They'll have a blast "canceling" mail with a stamper, sorting and delivering your letters all around the school. They even write notes to each other, student-to-student, for KPS Mail!**

### **Here's what you can do!**

**Get writing!! Write a letter or a note to your child or a staff member! The 2<sup>nd</sup> graders love delivering them - but all the students love receiving them!**

**Help us to encourage writing, reading and learning for all KPS students!**

**Send letters to your child using their backpack, in an envelope marked "KPS Mail". Or, you can drop off your letters to the main lobby during school hours.**

**See the directory for your child's classroom address.**
