Dear Parents and Guardians:

On behalf of Cobble Hill School of American Studies, it is with great pleasure and enthusiasm that I inform you about your child's participation in the Advancement via Individual Determination program (AVID). AVID is a college preparatory program that assists students and focuses on various strategies and methodologies such as writing as a tool of learning, inquiry thinking and collaborative grouping. Essentially, the overall mission of AVID is to increase enrollment in four year institutions.

In order for your child and the AVID program to be successful, Cobble Hill needs the support and collaboration of all parents/guardians. In order to achieve this goal, we are inviting parents and guardians to our 9th and 10th grade AVID Parent Meeting *on Thursday, April 26th from 5:00pm- 7:00pm.* During the meeting you will find out more information about AVID, what AVID has to offer your child, and how AVID can help your child be successful in his/her academic studies. You will also have an opportunity to receive your child's subject Quarterly Exam results. Quarterly exams in your child's class helps measure your child's progress towards mastering the subject as well as preparing them for the upcoming Regents Exams in June. Students are also strongly encouraged to also attend this meeting.

If you have any questions or concerns, please contact Ms. Panagoulas at (718) 403-9544 ext. 219 or email- MPanagoulas@Schools.nyc.gov

Sincerely,

Ms. Panagoulas
9th and 10th Grade Guidance Counselor
