February 11, 2020

Dear 6th Grade Parents,

We are beginning to schedule our students for the next school year. As part of the transition to 7th grade, we provide all students with the opportunity to take advantage of challenging academic courses and electives. In 2020-2021, 7th grade students and families will be able to choose their course of study in world languages and music. We believe that this decision, made collaboratively with your child, is a valuable learning experience.

During 6th grade, students had the opportunity to preview both *Spanish* and *Italian* through their *Introduction to Language Acquisition* (ILA) course. Beginning next year in 7th grade, both *Spanish* and *Italian* will be offered as daily academic courses. These courses follow a two-year sequence. With successful completion of Level 1 by the end of 8th grade and passing the proficiency exam, this enables your child to earn a high school credit on their transcript. We encourage your child to choose their language based upon their interest, background and experience in the ILA course.

In the area of music, students will have a choice between *Band* or *Chorus*. These courses will last the entire school year and will meet on an every other day basis per six-day cycle. Both our *Band* and *Chorus* ensembles will perform at a winter and spring concert.

We recognize that these are important decisions for you and your child, so we encourage you to discuss this with them. I also suggest you reach out to your child's guidance counselor and classroom teachers for input about their performance, including their strengths and areas for growth.

Please complete the second page of this document and return it to our main office no later than Friday, February 28th.

Regards,

Westlake Middle School | An IB World School
