IB Attribute
Complete the Student Caring Questionnaire, Don’t put your name on the paper.
Essential Question

Why is it important to care about others?
A Video on Caring: An example of a student who cares and motivates others to care too.
Discussion Questions
(Students—Discuss and write your thoughts in the Caring Space provided)

Cassandra and her friends clearly care about others; what actions do they carry out to show this?

How do you know if someone cares about you?

What makes people care about others?

Do you consider yourself a caring person? In what ways?

Can you choose to be a caring person, or do you have to be born that way?

What motivates you to give to others?

How would the world “change” if everyone cared about one another?
