Summer 2019

Dear WMS Students & Families,

Summer is almost here and reading is a great way for your child to connect with books that will engage and inspire them. Please follow this link ([Summer Reading](#)) to see the wealth of titles we have recommended for your children.

These titles have been curated by the Westlake Middle School Summer Reading Committee. The goal of the committee is to have every WMS student commit to reading over the summer. Please feel free to allow your child to read any other books not listed. These are just suggestions.

An Important Note: Maturity and reading ability of middle school children varies tremendously. As parents, you are the best judge of your child's cognitive and emotional development. Please help your child select titles for his or her reading enjoyment.

The Mount Pleasant Public Library has copies of many of these books. You'll see that all the titles in the document are also linked directly to the Westchester Library System. The summer reading list and other resources can be found on the [Westlake Library Summer Reading website](#).

Happy Reading,
