### PHYSICAL EXAMINATIONS

The Nanuet Board of Education requires that every school child in Grades K, 2, 4, 7, and 10 as well as, students who are new to the school district, have a physical examination. In general, it is best to have the family physician or pediatrician perform this examination and report the findings to the school. **As per New York State Public Health Law, Section 2164, Students entering 12<sup>th</sup> grade & 7<sup>th</sup> grade will be required to receive vaccine against meningococcal disease. Please discuss this with your child's pediatrician.**

A physical form can be printed from our website by clicking Our School, then Nurse, or please have your child pick one up from the Health Office, or call Mrs. Hanigan at 627-9810. After November 1<sup>st</sup>, the school doctor will examine all pupils for whom we have no record of a private physical examination.
