Dear Parent/Guardian:

We will be doing the New York State mandated Scoliosis screenings beginning in January. All students in 9<sup>th</sup> grade will be screened during their Physical Education Class. If your student had a private exam dated after July 1, 2018 the school screening will not have to be done.

Scoliosis is a curvature in the spine and can affect the function of parts of the body.

Screening is performed by observing the uncovered spine.

The students can wear gym clothes, bathing suits or other clothing that can be removed easily. Girls will be provided medical gowns to put on.

Please initial next to your choice below and sign the bottom of this form. It is imperative that this form be returned to the school nurse as soon as possible.

Students Name: \_\_\_\_\_

Grade:

\_\_\_\_\_ Yes, I want my child screened for scoliosis at school.

\_\_\_\_\_ No, My child will be screened for scoliosis by our private physician. I will send a report of the exam once completed by my private physician.
