October 2019

Dear Parents / Guardians:

Your student is enrolled in the Advanced Placement Program and the examinations are scheduled for May 5 - May 20. A copy of the examination schedule is enclosed and the price for each examination is \$94.00, a fee set by the College Board.

As in the past, payment for the examinations is through PayPAMS, the system used for Nanuet's Food Services (checks cannot be brought to the school for payment). Most families have a PayPams account and the user names and passwords are the same for the Advanced Placement Examinations. If you do not have a PayPAMS account, please follow the steps on the User Profile screen to create a PayPAMS account. Please go to PayPAMS.com and on the main screen, click AP Tests. Click view info to review the examination details and then click back to the last screen. Check the box under buy for the examination(s) your student will be taking and click add to cart. Click checkout and then click authorize payment.

There is a payment instructional tutorial on the Parent section of the High School website. Please visit <http://nshsnanuet.org/apexams>

Payment for each examination should be submitted by **October 25, 2019**.

Each examination is three hours in length. Morning sessions begin at 8:00 am and students are required to be at the examination site no later than 7:45 am. Afternoon sessions begin at 12:00 pm and students should arrive at the site no later than 11:45 am. Location details will be announced to the students at a later date.

If you have any questions, please contact Mr. Brian Metcalf at 627-9805.

Sincerely,

Michael J. Mahoney
Principal

NANUET SENIOR HIGH SCHOOL
