Michael J. Mahoney
Principal

Lily DeGraw
Assistant Principal

Dear Parents and Guardians,

As our District continues to monitor the information regarding COVID-19, the Nanuet High School teachers are working on developing resources for students **in the event that an extended school closing becomes necessary**. The safety and well-being of our students is our top priority and we are working hard to promote a positive learning environment every day.

Teachers have developed resources they will be posting via Google Classroom and other online resources they currently utilize in their classroom for home access. The high school has diverse course offerings, so our teachers are communicating with students to provide direction and clarity specific to their individual course. Teachers are also providing resources and materials as needed.

We are hopeful these resources will promote retention of material and support review for cumulative assessments in Advanced Placement and Regents level courses.

Please continue to monitor the District's website for updates as Dr. McCahill will notify the community if such a closure is required. Thank you for your continued support.

Sincerely,

Michael J. Mahoney
