Re: Annual Tribune Mothers' Day Contest
To All School Principals and Teachers:

On Thursday, **May 10th**, the *Queens Tribune* will announce the winners of our annual **Mother of the Year Contest** in our newspaper and on our website, queenstribune.com. We will also print the name (and photo, if available) of every mother who was entered in the contest.

The mother and child selected as the winners in each age category will share in a number of prizes from our advertisers. Winners will be notified the week before the issue, and will be invited to come to our offices to have their photo taken to be included in the very special Mother's Day edition.

As in years past, we would like to invite your students to participate in this contest by submitting written entries of 250 words (typed when possible) telling us why their mom is so very special. Please ask contestants to submit a photo of their mom - or mom with her kids - along with the written entry. (Sorry, the photos cannot be returned.) Please provide full names on back of the photos.

The entries will be judged in three age groups: A) 8 and under; B) 9-12 and C) 13 to adult. Judging will be based on content, creativity and sensitivity. We have attached an entry form. Please feel free to duplicate and pass along to your teachers.

The student or the mom must be a Queens resident. All entries must be received at the Tribune office by **April 27, 2018**. Please send all entries to:
