PPMS Parents and Guardians

Re: PPMS Bus Drop-off and Pick-up

Dear Parents and Guardians:

Buses drop off and pick up students in front of PPMS every day. In an effort to streamline both bus and parent drop off in the morning, we have designated a parent drop off area on the north side of the building (farthest away from Route 2). When entering the parking lot from the north side, you will drive around the side parking lot and drop students off by the sidewalk where they can safely walk in the front of the school to the cafeteria entrance (cones and signs have been set up to better guide your drop-off). To ensure your child's safety, please do not drop your child off in the parking lot.

In the afternoon if you are picking up your child from school, you will need to sign him or her out in the main office. Feel free to park in the front of the school or in the side parking lot. If you do park in the front of the school, be aware that you may need to wait for buses to load students and leave before exiting from the south parking lot exit. Bus lights will be flashing when students are boarding and exiting. Please remember it is a violation of state law to pass a bus when its lights are flashing, resulting in a fine of \$450.00. We thank you in advance for complying with this law in our school parking lots.

Should you have any questions, please feel free to contact me.

Sincerely,

Ivy K. Davis-Tomczuk
