Preston Plains Parents/Guardians

RE: Smarter Balanced Administration – 5/7 through 5/15

Dear Parents/Guardians:

We will begin our administration of Smarter Balanced Assessments to 6th, 7th, and 8th graders during the week of May 7th. Our administration of English/language arts and math subtests will continue until all participating students have completed required subtests; we anticipate this date to be on or before May 15th. Smarter Balanced results are expected to arrive during the summer.

We strongly suggest that during this testing period your child:

- gets a good night sleep;
- eats breakfast before coming to school (a snack will be provided on arrival);
- attends school; and
- arrives on time.

Please make every effort to be sure that your child is in school on time during these testing weeks. If possible, please avoid taking your child out of school early as well.

Sincerely,

A handwritten signature in blue ink that reads "Ivy K. Davis-Tomczuk".
