PPMS Parents & Guardians

Re: Impact of Weather-Related Cancellations

Dear PPMS Parents and Guardians:

As all of you are aware, we have already cancelled school three times this school year for weather-related issues. Our 2019-2020 school calendar provides Storm Day Options that we are putting into use. Namely, the winter break scheduled on February 18th will now be a school day. In addition, school will also be in session on May 21st and 22nd. With these calendar changes, our last day of school for this school year—June 18th—remains as scheduled.

Should we have more weather-related cancellations over the next few months, you will be advised on how we will make up such days. Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, which appears to read "Ivy K. Davis-Tomczuk". The signature is fluid and cursive.
