PPMS Parent/Guardians

Re: Alternative Meal Policy Revision

Dear Parents/Guardians:

We have recently engaged in a review of our Healthy School Lunch program, leading to a review of our practice of serving alternative meals. Students are only allowed to charge three meals when they have insufficient funds in their lunch accounts. After the third meal, students will be served an alternative meal (i.e., cheese sandwich, milk, fruit and vegetable) at a cost of \$0.75 per meal until the account is made current. For students with reduced lunch status, the alternative meal will cost \$0.40. By administering this policy, we ensure that students are fed at school while parents do not incur excessive lunch debt. Once restitution has been made, the student will receive a regular lunch. A copy of our revised alternative lunch policy is photocopied on the back of this letter for your review.

Many middle school students enjoy purchasing extras at lunch as well. However, to ensure that lunch accounts are not diminished by such purchases, students may not charge extras; they must have sufficient monies in their lunch account or purchase with cash.

Should you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Ivy K. Davis Tomczuk". The signature is written in a cursive style.
