

4th Grade Summer Learning Packet

Reading - Attached please find the Suggested Books List. It is in no way comprehensive and these are only examples of books that fall within Fountas & Pinnell Reading Levels. You are free to choose any books that are not on this list, but are on your level. **Please read at least two books.**

Writing - We would like you to write your life story. What makes you special and unique? What do you love to do? What do you avoid? What has happened in your life that you want to share and celebrate? Share with us some of your experiences that have made you who you are today. You may illustrate your writing piece so that it looks like an illustrated novel or a picture book, if you wish.

Mathematics - Practice your multiplication facts 0 through 12. Make or purchase Flashcards to practice. Some students have success writing them out, whatever works for you. Attached you will find a list of Online Resources and there are websites listed there where you can practice your multiplication facts.
