Principal's Updates

September 8, 2020

Dear Parents and Guardians,

Today our teachers returned to the school building to engage in professional development and planning for this new school year. They were welcomed this morning by the cheers and kind words of families that were waiting to greet them. Our PTA provided them with coffee and bagels as an added token of affection. Thank you to all our families and the PTA for making this morning feel so warm and extremely welcoming.

Today begins an intense planning time for our teachers as we continue to design the opening of the school. Please know that we will be working hard to finalize programs and schedules. I know that all our families are anxiously awaiting information about what their child's school day will look like. We will notify families of their child's schedule early next week.

We may receive additional teachers which the DOE is assigning to schools. There may be staffing and schedule changes depending on whether we receive any teachers. We ask for your patience, as we make final adjustments.

On September 16th, 17th, and 18th, all children will virtually meet their teacher(s), and learn about their individual schedules, classroom routines and procedures. Early next week, you will receive the log-in information for your child to attend. Attendance on these days is required.
