4th Grade Summer Packet

To All Incoming 4th Grade Students and Parents:

The fourth grade teachers have assigned summer homework for all incoming 4th grade students. Each student is required to complete all the listed assignments during the summer months in order to have a smooth transition into 4th grade. Please bring your homework on the first day school.

Summer Assignments Checklist

Math

- All facts must be **mastered** (Addition Facts within 20, Subtraction Facts within 20, Multiplication Facts to 12)!!
- You can make or buy flash cards to practice.
- Play fact games on your computer or tablet. A few fun, FREE websites are below:
www.multiplication.com/game
<http://www.playkidsgames.com/games/mathfact/mathFact.htm>
http://www.mathplayground.com/ASB_Index.html

Reading

- **Read at least 3 books on your reading level.** You can choose books suggested in the reading book list or find books on your own. As a resource to find the reading level of a book visit <http://www.scholastic.com/bookwizard/>.

Writing

- There should be at least **10** entries in your summer reading journal. You can write about anything you want, or you can use the following list of ideas to help you write your entries:
 - What was your favorite part in a book you read? Why?
 - What did you do that was new? How did you feel doing something new?
 - Did you see a new place, or meet a new person? Describe them or it.
 - What is your favorite summer activity? Why?
 - Did you observe (see) something interesting? Describe it.
 - Is there something that made you very happy, upset, excited, or surprised? Why?
 - Describe a person that you enjoy spending the summer with.
 - Are there any animals that you saw or played with? Describe your experience.

You will be required to share one entry with the class in September.
