Dear upcoming third grader,

It was so great to have you visit with us today! We are excited about all of the new things we will learn together next year.

You can strengthen your “brain muscles” over the summer by completing the summer challenge for reading and math. The website for the Sunnyside Summer Challenge Website is located on Mrs. Yacawych’s Toolkit.

You can also read the Nutmeg books to prepare for the Battle of the Books competition.

In addition, you can access the websites below through your Google account and login information from Shelton.

www.raz-kids.com

www.storylineonline.net

www.symphonymath.com

www.ixl.com

You will come back to school ready to learn. Have a happy and safe summer and we’ll see you in third grade!

Sincerely,

Grade 3 Teachers
