

What is a Family-School Compact?

The school-home compact is a written agreement between teachers and parents. It explains what families and schools can do to help students reach high achievement levels. It is a written commitment stating how all members of a school community share responsibilities to ensure that all students succeed and to increase academic achievement.

Jointly Developed

The parents and staff of Thibodaux Elementary School developed this School-Home Compact for student success. Parents shared ideas to support learning in reading & math. School-wide meetings are held each year to update the Compact. **Parents are welcome to contribute comments at any time.**

For more information on the school-wide School-Home Compact please contact, Robin Bourgeois, Principal, at 446-6116.

Activities to Build Partnerships

- Family Fun Day
- Open House
- Title I Parental Involvement activities
- PTO- Parent/Teacher Organization
- Parent Volunteers
- Parent Orientation
- Parent Class Readers
- Transition Meeting for Parents
- Meet and Greet

Communication about Student Learning

Thibodaux Elementary School is devoted in communicating with families on a daily basis about their children's learning. Ways to accomplish this includes:

- Weekly Communication folders
- Phone calls/Emails/Notes
- T.E.S.'s School Website
- Monthly newsletters
- Parent/Teacher Conferences

Do you have any questions about your child's progress?

Parents can contact their child's teacher by phone (985-446-6116) or e-mail. E-mail addresses are on the school's website at <http://tes.lpsd.k12.la.us/>

Our Goals for Student Achievement

1A

District Goals

1. Students enter Kindergarten ready
2. Students arrive in 4th grade on-time and on-level
3. Students arrive in 9th grade on-time and on-level
4. Students are on track to college in 9th grade
5. Students are on track to college in 11th grade
6. Students will graduate on time
7. Students will enroll in college or join the workforce

School Goals

The administrators, faculty, staff, and parents of Thibodaux Elem. have reviewed our student performance data to determine the most important areas of improvement for our school. This information is aligned to the School-wide plan.

TES will increase core academic instructional time.

Reading-Students will reach high standards, attain proficiency or better in ELA.

Math-Students will reach high standards, attain proficiency or better in Math.

Teachers, Parents, Students – Together for Success

In The Classroom

1B

Thibodaux Elementary teachers and staff members will work with students and their families to provide strategies that will improve reading & math skills.

Teachers will implement Differentiated Instruction, math, & writing strategies in their daily lessons.

Conduct parent/teacher communication with daily calendar correspondences.

Provide interventions & enrichment activities for students in small group experiences.

Extend weekly classroom assignments as home learning activities.

At Home

Thibodaux Elementary parents attended a meeting with staff to share ideas about how parents can support students' success in reading and math. Use math strategies to integrate math at home.

Look for reading & math strategies on the school's newsletter and the school's website.

Try to attend Family nights and Title I parent meetings.

Try to attend scheduled parent/teacher conferences to attain information about my child's performance.

Read AR/Library books with my child for 15 minutes every night

Students

Thibodaux Elementary students provided information to generate ideas about how they can strive and achieve their goals in reading & math.

Complete class & home learning assignments on a daily basis.

Accomplish goals and complete assignments in Accelerated Math and Accelerated Reader programs.

Share Accelerated Reader (AR) reports with parents on student progress.

Bring home the school's newsletter and notices about Family Fun nights and other school related activities.

Access to Computer programs at school and at home (SMARTY ANTS and IMAGINE Math)
